

## AGENDA

### City of Gig Harbor Hearing Examiner Virtual Hearing of Tuesday, February 20th at 1:30 PM

Due to public health concerns, this hearing will be accessible to listen by using the information below:

Link to join Webinar <https://us06web.zoom.us/j/89687328917>  
Call-in: (253) 215-8782 Hearing ID: 896 8732 8917

To speak during the hearing, press the Raise Hand button near the bottom of your Zoom window or press \*9 on your phone. Comments are only allowed during designated portions of the hearing. Please refrain from “raising your hand” until the Hearing Examiner has announced that he has opened the public comment portion of the hearing. Your name or the last four digits of your phone number will be called out when it is your turn to speak. When using your phone to call in you may need to press \*6 to unmute yourself.

If you wish to submit written public comment, please provide your comments to the Planning Division by **Monday, February 19, 2024 by 5:00 pm.** All written comments to be included in the record shall have the title: **FOR PUBLIC COMMENT** included. Send comments to: [candrews@gigharborwa.gov](mailto:candrews@gigharborwa.gov). Written comments will be read during the appropriate agenda item.

#### I. Open Public Hearing

#### II. Public Hearing

Items on this agenda will be reviewed according to the following format:

1. Open public hearing
2. Staff Report
3. Applicant’s presentation
4. Public Comment
5. Close public hearing

#### New Business

1. **HARBOR INVESTMENTS NW, LLC c/o DAVID PITT PITT DOCK MARINA REPLACEMENT**, (PL-SDP-23-0001, PL-SEPA-23-0007). The project proposes to replace the existing 16' entrance gate behind the WHHW mark, add 4' railings around the existing pier. A portion of the existing pier will remain. The project will remodel the existing marina and replace solid decked surfaces and creosote treated wood pile with fiberglass grating and galvanized steel pile. As well as re-enforcing the support of the existing net shed. The project will introduce more environmentally friendly materials including grating and steel piling. The project will reduce the overwater coverage by 930.5 square feet.

### **III. Adjournment**
