MEMORANDUM

TO: Parks Commission

FROM: Jennifer Haro, Parks Manager

DATE: May 5, 2025

SUBJECT: Crescent Creek Park Master Plan Update

The city has been working with HBB Landscape Architecture on the master plan for Crescent Creek Park since 2023. The project took a one-year hiatus when a group of residents asked city council to give them time to create a plan for the redevelopment of the Masonic Lodge, which is considered a part of the park. The residents presented their ideas to council in July of 2024. While there is no available budget for the project, council accepted their ideas and asked that the park master plan assume that the Lodge will be remodeled in coming up with a master plan.

The planning efforts restarted at the beginning of 2025. There was a community advisory committee meeting in March, attended by representatives from parks commission, volleyball, baseball, pickleball, young families, youth, the History Museum, neighbors, Crescent Valley Alliance and the KGI Watershed Council. The concepts were revised for an open house, held on April 9 at the park, with a turnout of approximately 100 people.

The attached concepts were presented to the public at the open house. We have a survey available on the city website for comment on the concepts until May 9.

At the May parks commission meeting, our consultant from HBB Landscape Architecture will update the parks commission about the project and the concepts and answer any questions.

PUBLIC WORKS DEPARTMENT

MEMORANDUM

TO: Parks Commission
FROM: Jennifer Haro, Parks Manager
DATE: May 5, 2025
SUBJECT: Parks Code Update

The current city code relating to parks is located in Title 9 – entitled Public Peace, Morals and Welfare, right between the chapters on Frauds, Swindles and False Representation and Crimes Related to Persons.

Many cities have an entire chapter related to their parks code, and Title 11 in Gig Harbor's Code is not currently being used, so staff is proposing putting the parks code into Title 11. It would also move the special events code from Title 5 to Title 11, and the docks code from Title 8.

There are a few things that needed to be amended, such as regulations about fishing from docks, a general rule about making rules, so that it can be done without amending code, and addition rules about parking at Cushman Trailheads.

Staff is asking for comments and feedback on the proposed Title 11. Anything that has been redlined new. The black has been copied over from another chapter.

Except for city-owned or boats receiving prior authorization from the city, a boat shall not be moored at the dock and/or a mooring buoy in excess of three overnight periods, whether continuous or not, within any 10-day period. Any prior authorization shall be obtained from the chief of police or his/her designee. This authorization does not remove the requirement to pay appropriate moorage fees.

4. Proof of payment of the moorage fee shall be displayed in a visible dock-side window on each boat required to pay moorage fees per subsection [E](#) of this section. If the boat does not have a visible dock-side window, the proof of payment shall be displayed on a dock-side vertical surface above the gunwale.

5. Falsifying vessel identification and/or size on moorage payment information shall be a violation of this chapter.

6. Payment of moorage fees shall be made using a credit card or debit card only at the payment kiosk located on the shoreline adjacent to the dock.

7. Mooring buoys may be used by boats at no charge; however, depth and/or boat length limits may apply as posted. The same moorage time limits outlined in GHMC [8.28.050](#) shall also apply to city-owned mooring buoys. Vessels using mooring buoys must register and display proof of registration, but there will be no fee charged for use of the buoy.

8. The following violations of GHMC [8.28.050](#), Mooring time limit, shall be civil infractions:

a. Moorage without registering or without paying the established fee; continuing to moor without paying the established fee as it becomes due. The civil penalty shall be \$100.00. Each calendar day on which a failure to pay the moorage fees occurs shall constitute a separate civil infraction.

b. Moorage in a restricted loading/unloading area or prohibited area. The civil penalty shall be \$100.00. Each calendar day on which a watercraft is moored in a restricted or prohibited area shall constitute a separate civil infraction.

c. Falsifying vessel identification and/or size on moorage payment information. The civil penalty shall be \$250.00. Each calendar day on which a watercraft has falsified such vessel identification and/or size information shall constitute a separate civil infraction.

B. Such remedies given by law for the prevention and abatement of nuisances shall apply hereto.

C. Appropriately located signs shall inform users of the moorage fees and time limits as expressed in this chapter and shall be deemed notice as warning of impoundment by violations.

D. Violation of any portion of this section shall be just cause for the violating boat to be cabled to the dock to insure compliance with this chapter. Upon proper notice in accordance with subsections [F](#) and [G](#) of this section, the violating boat shall be impounded.

E. For the purposes of this chapter, the fact that a boat has been so left beyond 10 days without permission or notification of the police department is prima facie evidence of abandonment.

F. When boats are found in violation of this section, the registered owner shall be notified by certified or registered mail that such boat is in violation of this chapter and has been impounded by the city pending issuance of notice of infraction in accordance with GHMC [8.28.070](#) and is subject to seizure if not claimed within 30 days.

G. When boats are found in violation of this section and parties claiming ownership to said boats are not known, a notice of violation of this chapter shall be affixed to a prominent portion of the boat stating that the boat is in violation of this chapter and has been impounded by the city pending issuance of notice of infraction in accordance with GHMC [8.28.070](#) and are subject to seizure if not claimed within 30 days.

H. Such notice described in subsections [F](#) and [G](#) of this section shall include the redemption procedure and the opportunity for hearing to contest the propriety of impoundment. If the owner of the boat is not known, publication of the boat's description, make, model, size, and color, plus details of impoundment, redemption procedure and the opportunity for hearing to contest the propriety of impoundment within a newspaper of general and local readership shall constitute sufficient notice.

I. After 30 days of receipt of the registered or certified mail or publication in a general and local newspaper providing notice of the impoundment, the city shall hold for sale the impounded boat.
