MEMORANDUM

TO: Parks Commission
FROM: Jennifer Haro, Parks Manager
DATE: May 30, 2025
SUBJECT: Parks Volunteer Program

The city adopted an “Adopt-a-Park” program resolution in 2021. This resolution (R-1209) allows an organization to adopt a City park or section of park and provide regular maintenance. This program has not been implemented.

With the addition of several parks since the adoption, and without the addition of any new operations staff, the city would like to work toward implementing this program.

At the same time, the city is often asked if groups, companies, or organizations can have work parties to get things done and provide community service hours toward the parks.

At the June planning commission meeting, staff would like to discuss if there are any changes that are needed, and any concerns on implementation.

PUBLIC WORKS DEPARTMENT

MEMORANDUM

TO: Parks Commission
FROM: Jennifer Haro, Parks Manager
DATE: May 30, 2025
SUBJECT: Donation Program

The City currently accepts donations of various items. If they are under \$20,000 in value, the city administrator or mayor may authorize the donation. If they are over \$20,000, city council must authorize the donation.

While we appreciate the donations, some past donations have been purchased and donated to the city, but require a high level of maintenance and/or expensive repairs.

The most popular item to be donated, by far, is a park bench. They are the most affordable item, and provide a place to sit and remember a loved one. Most people who donate a park bench desire a waterfront location. While we have tried to accommodate requests, we have recently run out of waterfront locations. They can be complicated, especially if concrete pads need to be added. Some also require permitting or site plan modifications if a park was approved with certain amenities.

The city is looking to reconsider the donation program. Some options that are less popular, but encouraged under our existing program allow for donation of a drinking fountain/water bottle filler, picnic tables. They are quite a bit more expensive than a bench.

A few other ideas for donations that other jurisdictions allow:

- Trees
- Donations toward decorations

At the June 4 parks commission meeting, staff would like feedback to use for developing a new donation program.

DONATION OPPORTUNITIES IN GIG HARBOR

The City of Gig Harbor provides opportunities for individuals, community organizations and businesses to be personally involved in shaping the special characteristics of our community. A variety of items are available for sponsorship. Donors wishing to contribute funds for parks or street amenities shall select from a list of styles, colors, sizes and locations as determined by the City.

Donors will receive acknowledgement with public recognition of their gifts unless they wish to remain anonymous. Contributions to the City for "exclusively public purposes" are tax deductible for federal income tax purposes.

Donations can be made in several ways:

- In memory of a loved one
- Celebration of a special event
- Name of donor or organization
- Anonymous

A commemorative donation plaque may be added and is limited to the size, design and verbiage standards below: (approx. cost of plaque \$125-\$200 depending on wording + \$125 to inset plaque into bench). These costs will be added to the total donation cost)

- "In Memory of ..."
- "Donated by ..."
- Cast-bronze plaque (3" x 5")

The total item cost will be determined when the order is placed, as pricing fluctuates depending on material availability and freight costs. Any freight costs and sales tax will be the responsibility of the donor.

The donated item includes maintenance for the first 10 years for metal, 8 years for recycled plastic and 5 years for wood. Beyond that time, any necessary repair or replacement will become the responsibility of the donor. The City reserves the right to relocate or remove any item as needed to maximize community benefit.

For additional details on the donation process, contact the Public Works Operations Department at (253) 851-8136.

The current city code relating to parks is located in Title 9 – entitled Public Peace, Morals and Welfare.

Parks Commission discussed the parks code at the April meeting. This time, we would like further discussion and recommendations about issues that have been discussed by staff since the last meeting:

- Proposed “park use” or “commercial park use” permits. This would allow small, less obtrusive uses to happen in a park without going through the trouble and expense of a special event permit. This would allow, for instance, photography “mini-sessions,” filming in parks, or classes for profit.
- Noise rules for parks.

Staff is asking for comments and feedback on the proposals.

Projects

Gig Harbor Sports Complex

Doris Heritage Park – We are very, very close to completion. A few small items remain before we can get a temporary certificate of occupancy on the bathroom building and stage, which will allow us to open.

Phase 1A (YMCA project) – The YMCA broke ground on their project to build two fields. Completion is expected by the end of the year.

Crescent Creek Master Plan

The three master plan concepts and survey results were presented at a city council study session on May 29. City council directed staff and the consultant to proceed with a version of Concept 1, which leaves most of the park features where they are. They also expressed a desire to keep the native plant garden and to reconfigure the parking so that could happen. They also directed the consultant to come up with costs for a new building the same square-footage as the Masonic Lodge, and to provide a drawing that shows what the park could look like without the Masonic Lodge.
